NOTE : All teachers are supposed to be equally responsible to be successfully carry-out the afore mentioned programs being in touch with respective co-ordinators of different events. In case the scheduled program gets post pond, the co-ordinator has to fix a date and time of post pond program should immediately circulate the notice among the staffs and administration. To make any program a grand success everyone has to have full sense of coordination and cooperation so we always expect this from our teaching and non teaching staffs and student as well. Students have to be equipped well for their brilliant performance in different activities . All teachers are expected to coordinate and cooperate the school administration in different school events like prize distribution, record maintaining students counseling and mobilization in according to achieve complete success. Leave of teachers during the day of program, won't be entertained except in emergency.

THANKING YOU ALL.

Principal
